Massage Therapy

Students log in to FI-Moodle during orientation and are provided with physical textbooks for their resources and learning tools for their program.

Chromebook:

Students are provided a Chromebook to utilize during the length of their program and will be able to take their equipment home after they attend orientation for their respective program. Students will be expected to return this equipment once they complete all courses and internship hours.

On the first day of class, students will received the following textbooks:

- Massage Principles and Practices, Susan Salvo
- Trail Guide to the Body, Andrew Biel
- Trail Guide to the Body: Workbook, Andrew Biel
- Trail Guide to the Body: Quick Reference to Trigger Points, Andrew Biel
- A Massage Therapist's Guide to Pathology, Ruth Werner

Extended accommodations can be made for students that need to utilize their Chromebook longer than the expected timeframe and will need to be made with the Administrative Office.

Extended accommodations would include:

- **Retaking CCMA**
- **Requested to have for externship**
- **Studying for MBLEx**
